A Little about this Shoot

Christine Graves was 53 years old when she unexpectedly suffered a subarachnoid hemorrhage that resulted from a ruptured brain aneurysm in late July of 2018. She passed away on Aug 8th, 2018. Christine is Dewey Hathaway's grandmother and they were incredibly close. His "Nono" as he called her was extremely proud of his archery accomplishments. She is also Gary Graves sister. The family would like to keep her memory alive and educate others about brain aneurysms. The family is hoping that with your participation we can make this an annual shoot for a great cause. The proceeds from this shoot will be donated to the Brain Aneurysm Foundation that supports ongoing research for this condition.

This is not a sanctioned event; however, awards will be presented after the second line.

The Shoot will be a 600 Vegas Round.

There will be Door Prizes donated from local shops awarded during each line.

Food Items will be available for purchase throughout the shoot.

The club is located at 85 Chicopee St Granby, MA

More information about the Brain Aneurysm Foundation can be found at Bafound.org
