

Virtual Tournament Rules and Procedures

Tournament Rules:

All archers participating in the Virtual Tournament series must be a member of a JOAD or Collegiate club and have a current USA Archery membership. Temporary memberships are excluded.

1. The Club will conduct a single Virtual Tournament event. The Club leader will be responsible for submitting official scores at the conclusion of the designated event or;
2. An archer may participate in a non-virtual tournament event with an identical round. The event must take place during the same quarter as the Virtual Tournament for which the scores will be submitted, and follow the same Virtual Tournament procedures. The Club leader will be responsible for submitting official scores at the conclusion of the event.

Please Note: Club leaders should not permit archers to shoot multiple scores for the Virtual Tournament.

SAAM reserves the right to disqualify a Club if the Virtual Tournament Rules are not followed.

Indoor Virtual Tournament Procedures :

1. Archers shall score an official Virtual Tournament indoor round – 30 arrows (10 ends – 3 arrows each) on the appropriate target face at the appropriate distance.
2. Three archers (min) will double score the round with a leader present.
3. Tie Breakers: Ties are determined by 10s and then if still tied, 9s (Note: hits do not apply).

Awards:

Results will be posted online after the conclusion of each quarter and certificates will be provided to the first, second and third place winners for each class/division.
