GOSMAN SPORTS AND CONVOCATION  
CENTER  
BRANDEIS UNIVERSITY

The 2018 “St. Patrick’s Day” Shamrock Shoot, hosted by Brandeis University Archery Club, is a USA Archery recognized event. The event consists of an INDOOR 70 meter FITA style ranking round consisting of a 720 round (12 ends of 6 arrows). This will be followed by a single elimination head to head Olympic round (3 arrow ends in two minutes) for the top 8 archers in each division.

This is a key fundraiser for the Brandeis University Archery Club that aids the team in purchasing equipment and traveling to events, so your support is truly appreciated.
